

The Roadies have fun, maybe have a pop, and lose our voices singing and cheering for Nashville Soccer Club, but being a Supporters Group means more to us. In addition to being a group that welcomes all who cheer for NSC, we actively give back to the community. In the tradition of soccer clubs who grew out of soup kitchens and community centers, The Roadies offer assistance to children who otherwise would be unable to participate in organized soccer and soccer camps because, we believe the beautiful game is for everyone, and do our part to help Our Town and Our Club support Our Community.

The Assembly welcomes any and ALL who love our team and our city. We are the only woman-led officially recognized supporters group. We encourage giving back to our city through our community outreach. The Assembly has been consistently tailgating at NSC home games since the team's inception. Our tailgates have a fun, family atmosphere with homecooked food, games, themed parties, beers, and our famous shotski! Whether this is your first time at a soccer match or you have grown up loving the beautiful game we would love to have you join us in cheering on our boys in gold!

Founded by Middle Tennessee footballers in 2017, Eastern Front is a Recognized Supporters Group designed to enhance the Nashville SC experience, provide a match-focused social setting, and promote the Beautiful Game.

Music City Supporters are individuals, parents, coaches and players with a passion for soccer coming together with other fans and families for food, fun, friendship and service. You'll find us tailgating and throughout the stadium as we cheer on Nashville SC. We strive to help members make connections within our group as well as with other fans and the larger soccer community.

The Music City Heaters are a group for both new and experienced soccer fans who want to be a part of the Nashville SC supporters' culture, but aren't necessarily ready to lead the drum section. It's true, we've let our percussion skills slip since middle school band, and we don't deny that the Davidson County Fire Marshal revoked our smoke bomb license (IN AN EGREGIOUS VIOLATION OF DUE PROCESS), but we treat every NSC match like a party and we're right there in The Backline, letting the refs hear it. So, if you're interested in joining an awesome fellowship of guys and gals that loves NSC, but doesn't take itself too seriously, come introduce yourself and we'll get to know each other over a tall, crisp, refreshing Black Cherry White Claw (SPONSOR US).

As Nashville's SC first Latin American supporters group. We strive to create a passionate futbol environment in support of our team. As well to make a positive impact in our community at large. Our passion for the game is only matched by the love of our Latin cultural roots. As we gather on game days with our chants, music, food, family, friends, traditions, in creating a unique experience, and atmosphere. Founded by our belief "UNITED WE ARE STRONGER" We welcome and embrace diversity and all cultural backgrounds. This is the basis for our club as we are La Brigada De Oro. A brigade of fans. "EN LA UNION ESTA LA FUERZA"
